“ We were so looking forward to spending more time with Lee & Bev now that we have moved to Texas permanently. It doesn't feel right without her. We will miss her.

“ Mrs. Clauser, was such a kind hearted woman and always a pleasure to talk to. She always gave me a hard time everytime I would show up with facial hair. She would always remind me that I shouldn't hide such a handsome face behind all that yucky hair. Sometimes I would shave before I would make the half mile drive just to please her. I can't help but chuckle to myself when I think about it. I will miss her so very much. Lee and Beverly Clauser have been a blessing to my wife, children and I. I could not ask for a better neighbor and friend. We love you Beverly.
