To the many Hico Tigers and Lady Tigers who are mourning the loss of our precious Mr. Bud: Many of you have expressed that you hope Mr. Bud knew how much he meant to you and the difference he made in your life. I can say with complete confidence, he knew. The hugs you gave him after games, the high fives when you saw him around town and the passion you showed on the field/court were all he needed. He loved congratulating you after a win and didn't mind telling you (or anyone else) what you should have done better after a loss. Win or lose, Mr. Bud was the #1 fan of the Hico Tigers and Lady Tigers. He will be greatly missed by all of us.
