

Debbie Jean Wilson

March 30, 1958 - May 5, 2013

Debra (Debbie) Jean Wilson was born on March 30, 1958 in Fort Worth, Texas to parents John H. and Ethel D. Hidler of Richland Hills, Texas. She passed away at home on Sunday, May 5, 2013 at the age of 55.

Debbie graduated from Richland High School in 1976, She started work as a pharmacist assistant for Daniel Drugs in Fort Worth and River Oaks. She spent most of her years in the medical service field ending with Summit Oxygen in Fort Worth.

Debbie was lovingly referred to as “Gigi” by her family after her grandchildren were born. She loved and prayed for her family every day and she loved any kind of God’s creatures of the animal and bird world. Her abilities with birds and animals (large or small) gained her the nickname, “Dr. Doolittle” because she seemed to know what they needed by talking with them.

She lived in Richland Hills for all of her life before moving with her family to Iredell in 2004. She loved living in a small town where everyone knows everyone. Her wooded home provided an abundance of animals for her to love and care for (raccoons, squirrels, deer, cats, dogs, birds, even turtles). She loved to go on country drives on back roads and see beautiful wildflowers - being the plant enthusiast that she was.

She was a loving mother, wife, sister and friend who had a “special heart” and will be greatly missed in body but remembered forever in spirit.

She is survived by sons, Chris Springer and Ryan Wilson of Iredell, Bill Hammer of Fort Worth and Eric Hammer of Belton. Grandchildren: Kilon,

Tobin, Mattie, Ryan, Zachery, Annie and Halle. Sister, Wilma Nichols of Iredell.
