“ *Ronnie and Janie,
Our condolences to you and your family in the loss of Donald. We knew Donald for nearly 70 years which included going to school with him and we enjoyed seeing him drive around our block like he was keeping an eye on everything. We always thought he should have been Constable of Iredell since he kept tabs on the activities in the town. He is already missed by so many and I know we will miss him coming by and giving a big wave.*
