“ Although Joan was older than I, I remember her as a side-kick to Janelle Dowdy. My brothers married the Dowdy twins. The many times we rode the school bus together and also I played in the band with her one year. I enjoyed visiting with her at the School Reunions along with her family and never a nicer person existed on this earth. I know she has had considerable health issues over the past years and was not able to do all the things she wished to do. Now in the hands of GOD, she can fulfill all her desires.
