“ Wonderful memories of my favorite drummer in the world. My Dad thought Emond was the best drummer he ever heard and was always yelling out “drum solo”. Singing in a band with Emond was a real pleasure as he was a great gentleman. I was so thrilled when he and Linda found each other. They were a perfect couple. I will remember Emond forever and will miss him so badly. Even though we didn't get together in the last few years I will never forget him.
