“ I have a lifetime of memories from you, Daddy. One thing I never questioned, I never had to wonder if I was loved. You were always there, and a lot of times it was to bail me out of my messes. You spent so much time trying to prepare me for today and I still wasn't ready. How do you say "Goodbye" to your Daddy?!? I will spend the rest of my life searching for a green eyed skunk. I know that one day I will find it. I think I will bait it with an open pack of red man and a big red. I figure you're up there fishing catch another whale, Daddy! I'm sure all catfish must be that big up there. Plus, you shouldn't have to cut any gars off your line. I love you, Daddy. I will be your girl until the day I die.
