“ Gina was one of our first baby sitters and I have so many great memories of her from my childhood that I will forever cherish. From her fixing my hair and make up, to horseback rides and even letting me ride her horse in the parade, to taking my yearbook to school for the high school kids to sign so I would have more signatures. She was so loving and giving and had a huge, caring heart. She will be missed. My heart goes out to her entire family...what a loss. My prayers and thoughts will be with each of you. Gina was a very special lady and my life was blessed for knowing her. With deepest sympathy and love,
