“ Greg, Jerry Daniels and I held forth in USS Meyerkord's First Class Lounge in 1975 - 3 E-6s from WA Division. I took that photo of Greg at a division picnic a little earlier - summer of 1974 in Long Beach, CA. Tried to get Greg back to a couple of reunions in San Diego, but he couldn't leave his animals.

So long, buddy. We'll miss you.

“ Greg was a good shipmate of mine aboard the destroyer USS New in the late 60's & early 70's. Always a happy spirit and fond memories spending many midnight sonar watches with him. I am saddened to learn of another shipmate lost. Greg, fare winds and following seas wherever your journey takes you.

“ I served aboard the Meyerkord with Greg in the 70's. One of the nicest and funniest people I have ever known. His quick wit and ability to opine always brought a smile to my face. My sincerest condolences to the family and may he always have fair winds and following seas
