“ I have so many memories of my daddy that it's hard to pick just one. I was a daddy's girl and I followed him where ever he went. My mom worked because my daddy had been injured and so he stayed home and took care of me which wasn't hard. Lunch every day was chicken pot pie because it was easy for it to fix for me with his injuries to this day I hate them and don't even like them in my home. I miss my daddy so much. The world just isn't the same without him in it.
