“ Sending our thoughts and prayers during this difficult time. Jack was a very special man and like a second father to me growing up. I'll never forget the many sleepovers Taylor had when we were younger. There were so many wonderful memories with her dad and family in Brenham, TX.

“ *Jacky was my Uncle, my mom's youngest brother. He was 19 years younger than her, so he was more like a cousin to me. We had many fun times together. He taught me how to play Heart & Soul on the piano, some things you never forget. I loved him.*
