“ Dad,

I am grateful for all the memories from this picture to when we went to New Braunfels cause you had to fix a tire using the boom truck to my high school graduation, and some more memories. I wish I got to hug you one last time and hear just one more story...I'm gonna miss you!

*Love always,
Your eldest baby girl*

“ *I remember riding in a semi truck for the first time as he drove me and Crystal to my house...it was fun and very bouncy! My heart goes out to the family...he was like a father to me because of how close Crystal and I are*
