Jean Hernand

June 30, 1928– Sept. 12, 2017

Jean, 89, was a convertible driver, chocolate aficionado, cat lover, fisherwoman, Valentine's queen and woman of faith. She passed away peacefully on a beautiful Tuesday morning following a brave battle with numerous health issues and now rests in the arms of her Lord.

Always a fun-seeker, Jean loved the sun and the beach and especially taking her loved ones on adventures. She was legendary for her delicious desserts, and no family holiday was complete without her pumpkin chiffon pie.

Throughout her life, Jean's faith was very important to her. She rarely missed a church service and Sunday school in Houston and later in Hico. She attended church just a few weeks ago, just a day after falling and breaking her shoulder.

She grew up in the Houston area, the youngest sibling by 15 years. She enjoyed a special bond with her older sister, Dorothy, who helped raise her and Dorothy's daughter, Sunny, who faithfully cared for her and visited her every day in her last years.

Jean graduated from high school in Houston and attended business school in

California. She returned to Houston and worked for Tenneco Oil and Dow Chemical in the secretarial pool for many years. She remembered those days fondly and made lifelong friends there. She moved to Hico in 2010 and spent her sunset years at the Hico Care Home, where she received loving care. She was especially grateful for the love and kindness given to her in her last years by the staff there.

Jean is survived by her niece, Sunny Snyder of Hico, nephew, David Coward (Charlene) of Rockport, five great-nieces/nephews, 16 great great-nieces/nephews, 4 great great great nieces/nephews and host of friends.
