Tribute Wall

“ Joy and I share a bond through cancer, and I will always be thankful for her support and kindness. We cheered each other on through the worst of times, and celebrated the best of times. Her strength and attitude were always an inspiration to me, and always will be. She is the definition of Warrior, and I will carry her spirit, and her smile with me into my next battle. Thank you, Joy, for being you and for sharing your strength with me over the years. Rest now, you have earned it. Love You. Nicole and David
