Judy Ogle, 76, of Hico, TX passed away on Monday, May 21, 2018 while surrounded by her family.

Judy was born to the late George and Lucille Griffitts on May 16, 1942 in Stephenville, Texas. She attended school in Hico and received a nursing degree from Southern Methodist University. Judy married the love of her life, Steve Ogle on August 24, 1963. The two quickly grew their family and began building a legacy of hardwork and dedication.

Judy worked in the nursing field for many years serving as a school nurse, nurse in the Hico hospital, and for home health before her retirement. Even following retirement she prided herself in keeping up with the names, treatments, and techniques used for taking care of patients.

Judy was a devoted mother and was blessed with 3 wonderful children. Lauri, Robyn, and Brian would bring the greatest joy to the lives of Steve and Judy, making their home a place filled with laughter and much energy. Judy was known to be great cook that loved providing meals for the many that would join them around the table. She also enjoyed gardening, canning pickles, jellies, and a host of other things.

Later in life Steve and Judy would welcome 5 grandchildren into their lives

whom they loved dearly. Judy loved to spend time with her grandchildren and always got so much delight out of whatever they were involved in. No one could brag on anyone quite like Judy could brag on her grandchildren.

Judy loved and served her husband so well even through many years of sickness. She was strong and so giving of herself to anyone in need. She truly loved and cared for her family well.
