“ I have many great memories spent at the Herrin home. Larry was always funny to us girls when we were all together. I am saddened for your loss, I only found out today or I would have been at his service. Much love and hugs.

“ I will miss having Larry at our Powerlifting Meets. I thought a lot of him and appreciated the way he helped kids and wanted them to do their best. You could always count on him to be fair and professional when he was judging a platform. We will truly miss him and I wanted your family to know that he was well respected and very appreciated in our coaching community.

“ *We enjoyed being across the street neighbors with Larry and Sue for a couple of years. Watched him come and go in his white painter's clothes and knew what an expert he was when he went to work. He was my Uncle Gene Cavitt's best buddy. Heard about him long before we knew him as our neighbor. So sorry he had to go so soon from his family and friends.*

“ Larry and his family was so good to us for many years while living in Hico. When Jeff was going through cancer treatment in Houston, Larry was the first person to take ride with me to Houston during Jeff's extensive stay. I will always remember him for this. He was not a man to tell you how he felt, but through is actions - you knew. We will miss him and want all his family to know how special they are to us. Kellie Harris
