“ *My thoughts and prayers are with all of you. I spent 4 years with Lauri and have many fond memories. Although we both were facing obstacles and had many rough situations, she will always be dear to my heart. We loved each other and knew at the same time that it would never work. God bless to Steve, Judy, Brian, Kayla, Brady, Becca, Aubrey, Kyle and family, and to all other relatives. Lauri is in heaven with Robyn, whom she missed terribly, her aunt Mary and so many others. May they all rest in peace. I love you Lauri. I will see you again. Until then, God bless.*
