Im so sorry I just found out Uncle Cotton I loved him very much. I remember a summer we spent with them. They were putting a storm celler in n we were told not to go down in it. But we did couldn't lie to them cause the soil was a black looking soil. Well we all 5 got our tails whipped. But Uncle Cotton was telling us why they were going to spank us.His BD is a day after mine. Im so sorry about his passing I didn't even know until I just now read this.That summer with them as a child was one of the best summers I ever had.
