“ *A sweet friend and neighbor for almost 40 years. A favorite memory will be how much she enjoyed decorating her house and yard for holidays. Whether it was an Easter Bunny, a Jack-o-lantern, a turkey or Santa her yard was alight with decorations. It gave joy to everyone who passed by. Thank you Margaret. Go with God.*

“ Margaret and Bruce and their children were the first adults and family in our home, attending a church youth get together when we had just moved into Hico as the minister at Hico Church of Christ. We were very honored to have their support then and throughout our ministry there!

“ I loved my days of working with Margaret at school. She always greeted you with a smile and a hug. She was a beautiful lady inside and out. I have a few really funny memories of things that happened at school but I'll keep them to myself and smile every time I think of them. We had lots of secrets. Love to the family mostly to Bruce, you were truly a loving dedicated husband to the end. There aren't many loving couples in this ole world like you two.
