“ Dear Marvin and Sharon and the rest of the Walters' Family. I am so sorry for the loss of Little Marvin. The times the Walters family and the Clifton family are remembered as some of my best times in Hico. We spent so much time having our golf matches with the rest of the clan at BlueBonnet Country Club. Seems like yesterday everyone was getting to the course about the same time and it truly looked like a rabbit drive with so many players. I will cherish those memories forever. My prayers and thoughts are with you during these difficult times. Guy Clifton

“ I played countless rounds of golf with Little Marvin at the bluebonnet country club and he was just the most jovial and one of the better golfers at the club. I only saw him mad one time and he proceeded to break an eight or nine iron over the tee marker on #8. Just a great guy and just remember all of the good times we had playing golf or watching Monday night football with him. Condolences to the Walters family. Gary Clifton
