“ *My dear precious friend & sister in Christ. I thank God that He allowed me the honor of knowing you. Just days ago you were at my house and we laughed so much. That is what we all did when you were around. I will never forget your love & dedication for Jesus. Our hearts are broken because we will miss you so very much but, how awesome it is to know you will be with Jesus this Christmas morning. What a great legacy you leave behind, my friend. I love you & will always have your memories in my heart, dear Patsy.*
