“ *Hello Sue, please forgive me for trying to reach you on this page. I am so sorry for your loss. My name is Alicia and I was Cheryl Hogan's counselor and she told me how you and Richard led her to accept Jesus as her savior and baptized her in the Weatherford Lake. She would love to speak to you as you both changed her life forever in the 1980's. Please contact me at 213 875 3491 if you feel led to. I pray that God will give you peace and bless you beyond measure.*

“ Sue ~ My prayers for you & family that God's peace will wrap each of you with his loving, tender care. Richard was such a strong servant of the Living God. My walk with Christ would not have been where it is today without Richard & you. Thank-you Lord for creating Richard, for sustaining Richard, & for calling Richard one of your own. ~ "Jesus wept" ~ John 11:35 ~

“ Richard was what we wish all officers could be like - cheerful, compassionate, and smart. He was a great officer, but more importantly, he was a good man. I'm glad that I had the honor of knowing him. My condolences to his family on their loss. May our prayers lighten your load.

“ When I was a rookie, Richard was the one I looked up to. I thought if I could ever become an officer as good as he was, I would be at the top of my game. That bar was so high, no one could reach it. Without even knowing it, he made me a better officer. One day, long after retirement, I got a chance to tell him how I admired him as a man and an officer. A person doesn't always get to tell their hero something like that. Richard will be so missed. RIP my friend. RIP.

“ I worked with Richard for many years. He was a very good police officer and human being. He deeply cared about the community and the people in his district. I remember how excited he was to retire and then go to Brewster County as a deputy sheriff. RIP and prayers to family.

“ Richard was a good friend and fellow officer who took me under his wing (my badge # was 475) when I worked adjacent to his district (313) as a new officer. He was professional, charismatic, looked like he stepped out of a recruiting poster and was a wonderful human being. It was my pleasure and privilege to call him my friend. God bless you, Richard.

It is difficult to think my friend Richard is gone. He was always helpful when I was a rookie with APD. His smile and laughter were infectious. I'll always remember the last time I visited with him in front of the Red River City Hall and talked about times in Arlington. Rest easy Richard and thank you for being a friend.
