

Robert John Lewis

January 6, 1939 - November 21, 2022

Robert John Lewis, born January 6, 1939, in Bronx, New York, to parents Arthur and Edith (Zeller) Lewis, passed away in Hamilton, Texas on November 21, 2022, at age 83.

Bob was a lifetime member of The American Quarter Horse Association and the Texas Draft Horse and Mule Association. In his early days he shared a passion for quarter horses and rodeo. He loved to spend time as a family in the arena team roping. He handed down a love of horses to all his six kids.

Later he found another passion for draft horses. He loved showing Percheron Drafts with his family. He loved farming with his mules and working the land. He never thought of it as work but pure joy. Bob loved fixing horse drawn equipment and working on his antique tractors. His enjoyments of his life were what most would call work. His drive to always be working and farming shine brightly through all his children. For many years he made a career as a horse shoer, a love of this trade is shared by four of his sons. A passion for mechanic work is

inherited

by another son. His love for farming and animals is shared by his only daughter.

He lived his last 15 years on his farm in Hico teaching his daughter all his tips and tricks. His joy for being outside and loving the land shines brightly through her.

He enjoyed showing people how to drive the mules and farm. He would help anyone who showed up and loved to sit down, have a cup of coffee, and visit. Bob never met a stranger. He will be missed by all who knew him.

Bob was preceded in death by his parents.
