Tribute Wall

“ I'll always remember one Christmas, to the objection of my mom Wenoka, Grandma kept getting me slices of cherry cheesecake. As soon as one slice disappeared she would ask if I wanted another. Mom was not happy! However Grandma was not fazed. By the end of the night I had consumed all but one slice of two pies. Uncle Ray had that one slice I didn't. However being the great uncle he is, he let me have the cherries off his slice! :) I miss those days if everyone being together. Most of all I'm going to miss that wonderful woman Ruth Bussell, better known to me as Grandma!
