“ I met Ashley and Brie when we moved to BWS I guess 15 or 16 years ago...Brie and Mags would trade nites for sleep overs....He was SO into Ashley and Brie...the best gramps/ G. Gramps....He would even make sure my Mags got home when I was late...Then I moved....a few months later Ash and new man moved to the same neighborhood...good friends and people do find each other even when odds defy us. I will miss when I would see him with the girls. It was a No Brainer...He Was In Love With Those Girls. Look for Cardinals....when you see one you know he is with you.
