“ I have always known Sandra to have a smile on her face and kind words to say. I remember at my Moms service when we were in our car ready to go to the cemetery that I heard someone knock on my window. I looked to see Sandra standing there and I got out to give her a hug. What a sweet gesture at a most needed time for me. Little did she know what that meant to me. I'm glad you're not in any pain any more Sandra, rest in peace ❤️
