“ Aunt Sherry was a great aunt and always had a ready smile and a hug! Her smile lit up the room and she always let her light shine! She and Uncle Ray were always a role model for me. She will be missed by all, especially Terry and Diana..but it is comforting to know she is with Jesus and is discovering new delights in heaven every day; 24 7...and with generations of family. All 3 sisters are together again. She was dearly loved, NeeNee

“ I went through grade school with Sherry Dawn at Duffau. Then I graduated high school with her at Hico High School. My twin sister and I played basketball with her throughout all those years. At Duffau grade school, she, my twin sister (Laquata Burgan), and I were the only girls in our class. In the last several years, my twin & I exchanged birthday cards with her. (I admired her hair. I always thought it looked like Lauren Bacall's hair!) And she had such a fantastic smile. She was truly a special & dear friend.

“ *Precious Sherry. My dear neighbor, and my first friend in Hico. We spent many mornings over coffee on her porch, solving the world's problems and sharing our own. She was smart, funny, and caring. She loved her family, and cared so sweetly for her Raymond. When my father in law lived with us in his last days, Sherry made him peanut brittle and gave me ivy in his memory when we lost him. She watched my house in the years before we came to live here permanently...reporting to me anything she saw that looked suspicious. We shared a love for our irises, and when she went to Hico Nursing for rehab after her fall, I planned for days to take her a bouquet of mine. The morning I finally got them cut and arranged and delivered, she had been moved to the hospital. I know there are irises in heaven for sweet Sherry.*
