“ I just recently found out Stan had passed! I had the fortunate pleasure of meeting Stan in 2017-2018, when he purchased a Toyota RAV4 from me. We developed a friendship, and he would call to chat once or twice a year. Stan would go on to buy 1-2 More Cars from me. Back in 2022 Stan mentioned he was ready for a new car, but that his health wasn't the best. He never eluded to it being as bad as it apparently was.

*He was always a fun loving, and kind soul. You are missed Stan!
RIP!*

My condolences, Tyler.

“ I met Stan thru a friend since high school Reagan Peterson . Stan and I had talked often and the last time I saw him was at a memorial service for Reagan Peterson in Bandera . My cell phone and email was hacked back in 2022 and I had not been able to get hold of him . Regrettably I never got to speak to him again. Stan was a good man and is missedGeorge Braun

“ I'm SO saddened to just learn that Stan has passed away, but was afraid that might be the case when I was unable to reach him by phone. Stan was not a well man, but cheerfully persevered in spite of his many physical and personal challenges.

I met Stan after Hurricane Katrina when I was appointed by Louisiana's Governor to the board of the Louisiana Recovery Authority.

We teamed up to build storm resistant and energy efficient homes constructed with Structural Insulated Panels [SIP]. [attached photo]

He was a GOOD Soul who went through MUCH after his wife passed away!!

May he Rest in Peace !

He will be in my Thoughts and Prayers 🙏🙏🙏🙏

“ I am Jack Harding jr. I was shocked and saddened by this news. My brother and I were planning to meet with him in a few months to discuss family trees. My parents honeymooned at the ranch. I hope to remain in contact with people who are interested in family history. Condolences, Jack

“ I remember Stan as a good man. He was full of energy and enthusiasm. I was Hico City Secretary during Stan's term as Alderman and as mayor. We didn't always see eye to eye, but we always respected one another. He was a visionary and will be missed. I remember the sad times but will always remember the good times and I will remember him as a friend. I am so sorry for his family. He is with Carol again.

“ Our sincerest condolences to the Bundy family. May memories of Stan bring a measure of comfort in the days ahead. I had the honor and privilege to work for the Skipper in the Early 70's. Great Boss who was definitely a people person. I was blessed to meet up with him last year at his booth in Bandera TX. We had not seen each other in 48 years and the first thing he did was call me by the nickname he gave me so many years ago. We are saddened at his passing and will keep the family in our prayers. My wife took an instant liking to him...no surprise...that is who he was.....May he Rest in Peace.
