“ Deniece, Ashley, Austin, and Addison, we are so sorry to hear about the loss of Steve this week. Many great memories of spending time with Steve on the baseball field coaching our boys together. Praying that God will give you peace and comfort during this difficult time.

“ It saddened me to hear of Steve's passing. I'd known Steve since we were in elementary school but not as classmates.....we got to know each other as competitors on the baseball and football field all the way through high school and then as adults. Once we became adults we were still competing against each other, but this time as coaches in the North Arlington Little League. He did love the game of baseball and was good at it too.
I'm glad we were able to continue our friendship as adults. I always had lots of respect for him..... respect that started from playing a kids game.
My condolences and prayers go out to Denice and the rest of the Turner family.....Rest In Peace Steve.❤️
