“ I can remember the many times that I have held Vanettas hand. Now our Savior holds her hand as Vanetta remembers all the kind words that have been spoken to her during her long battle with Alzheimer. I hope she remembers the words I wrote to her expressing the love I have felt for her for all these many years. Sweethearts in High School at our beloved Hico High. We were good kids, enjoyed each other's company and never had any cross words between us. She was at my house many Saturday nights preceding the Mid Night show at Hico and my Mama & Daddy though she was real fine. I loved my California girl.
