“ *"Stella" Wallace from Waco, Texas fondly remembers Arthur because of the music they played together at "Guinn's RV Park"...we used to drive her up on occasion and fetch her back...she loved the company and the music. She says many is the night they stayed up until 1 or 2 in the morning...just like teenagers...knowing they didn't have anybody to be responsible to anymore. The music and the friendships she made still are fresh for her...sadly most of the original band they played in have long since passed away. But if not...Stella still tries hard to play occasionally...not bad for a mild old lady of 96! This is a picture of Stella Wallace, Geof and Jackie Whitford...her son-in-law and daughter whom she now lives with in Santa Rosa, California...*
